POSTAL REGULATORY COMMISSION OFFICE OF PA&B

In response to the Final Determination to close the Green-cliff N.H. Post office, I wish to appeal that decision made by the U.S. Postal Service

I feel the U.S. Postal service failed to prove that there would be any cost savings on the grounds that they could not produce a specific amount of cost savings.

The U.S. Postal service fail to consider the affect of losing our zip code and town identity would have on our village as outlined in Title 39 U.S. Code Section 404 B

The U.S. Postal Service failed to make a clear plan as to how our mail is going to be delivered to the people and how we can get services such as mailing packages or

to even buying 3 stamps.

The U.S. Postal Service failed to seriously consider the affect that closing the Glencliff Post Office would have on the safety of the people using the Appalachian trail

I sincerely ask the U.S. Postal Service to reconsider the decision to close the Glencliff N.H. Post office
